GRAPHIC ARTIST • ILLUSTRATOR

I'm a graphic artist specializing in branding, prints, character design & packaging with more than 20 years of experience. I love playing video games, taking photographs & collecting action figures.

I studied Fine Arts Major in Advertising Arts at the University of Santo Tomas. My first job was a freelance comic artist for a publishing company in Philippines when I was still in high school doing some weekly comic strip which I created.

Currently, I am based in Dubai with my family since 2004 working as a senior graphic designer.
